Gelderland

Put emphasis on acquiring knowledge and skills on restoration of cultural heritage in order to use this knowledge and skills in your own country and later on in other regions with the aim to make use of your own EHSP

Joint Action Plan

provincie
Gelderland

Partners are invited to give insight in or give information:

- Collect all the activities of volunteering groups within your organisation/administration which could be of interest to other partner regions
- Make a short list of workshops which could be attended by volunteers of partner regions
- Make a list of activities and skills to be learned
- Make a list of experts/artisans who are willing to give workshops
- How many volunteers from other regions could attend your workshops
- What kind of accomodation is available; should it be free of charge?
